

**The Society meets at Wiltshire Music Centre,
Ashley Road, Bradford-on-Avon, Wiltshire**

**on the last Friday of each month or as shown below,
from 19:30 - 21:30.**

Bradford on Avon Recorded Music Society presents its 19th season of concerts of recorded music at the Wiltshire Music Centre, Ashley Road, Bradford on Avon. The aim of the Society is to present classical music reproduced on Compact Disc using high quality audio equipment. Presentations may occasionally include vocal recordings from the very beginning of the recording era (circa 1900) not readily available elsewhere.

We have a very friendly refreshment interval when members can discuss the music and other topics with the presenter and each other.
